intro: C /B C /B C /B D

V1

C /B C
Your joy is, a fire that's consuming
/B C
I'm addicted and I'm loosing
/B D
the weight of my old ways

Your words they cover me in beauty
I'm dirty still you choose me
A child by grace

Pre

C /B
Your love is bigger than my weakness
Em D (hold)
And reminds me how to sing this, celebration song

Chorus

Em /F#-G D
I can't help but shout
Em C G D
I'll scream my lungs right out
Em /F#-G D
Cause they all must know about
C /B C /B C /B D
The love that changes everything
(For me, for good)

V2

Your love never changes with my mind
No it holds me every time
I wonder away

Your patience, wears me out so quickly
I'm a rebel but you give me
A reason to stay

Pre

Your love is bigger than my weakness
It reminds me how to sing this, celebration song

bridge

You are the center of attention
Greater than people or invention
You are the center of existence
All eyes they look on (for) You
