interlude: **Dm /E F A Bb C**

**F /E Bb Csus C**

For all of us in need of help

**F /E Dm C Bb C**

Or those who think they're doing well

**F /E Bb Csus C**

For the weary and heart broken

**F /E Dm C Bb C**

Or the strong and the outspoken

**F/A Bb C**

HIS LOVE IS GIVEN TO ALL

**F/A Bb C**

HIS BLOOD HAS PAID IT ALL

*chorus*

**F C**  
This is redemption written in his blood

**Dm Bb**  
This is forgiveness, the guilty go free

**F C**  
This is redemption, sinners get heaven

**Dm Bb**  
This is a love song for those who believe

interlude: **Dm /E F A Bb C**

For the poor and suffering  
Or the rich who think they have no need  
For the liar and the criminal  
Or the proud and egotistical

How great is Your love.....
