Ministry Description . . .

One of the biggest questions that parents of school children have during the Spring Break holiday is "What will I do with my kids,?!" This great need opens a wonderful opportunity to minister in the lives of children and to tell them all about Jesus!

We have coordinated with the East Dallas Kids Beach Clubs and the city government of Mesquite to host a camp for 100 children during this time.

Instead of taking their kids to school, parents will check them in at our "Kids' Beach Club Camp" for those three days.

We will provide breakfast and lunch each day. The day camp will be filled with games, songs, crafts and wonderfully creative Bible stories that will share the love of Jesus with every child.

We need both young people and adults to make this a great blessing. I invite you to give yourself away for the work of the Gospel for these four days by joining the team. Talk to Spencer, Juan or Steve today!

Each night there will be fun activities for everyone who comes, Food, games, and maybe even some prizes.
